Applications:

Geely Smart Car - Five Doors, Five Seats SUV

GEELY’s Bin Yue is a compact five doors, five seats SUV with a stylish exterior design. It offers advanced technology features, excellent safety rating and reliable durability. Its interior is comfortable and provides a pleasant driving experience. The Star Yue L model of Geely Smart Car is a great choice for those who are looking for a stylish and reliable vehicle. This car is perfect for city driving. Thanks to its compact size, it can fit in small parking spaces and navigate in narrow roads. Its advanced technology features like anti-lock brakes, airbags and EPS steering system ensure a safe and comfortable drive. Not only that, its exterior design is stylish and modern, making it a great choice for those who value aesthetics. Despite its small size, the Geely Smart Car is reliable and durable. Its five doors and five seats offer enough space for a family trip. In addition, its fuel efficiency makes it ideal for long-distance drives. The car is powered by a 1.5T engine and is equipped with advanced features such as an automatic transmission, power windows and an air-conditioning system. Geely Smart Car is the perfect choice for those who want a stylish, reliable and comfortable car. With its advanced technology

features, excellent safety rating and durability, the Bin Yue model of Geely Smart Car is an ideal vehicle for those who are looking for a small but reliable car.
